October 6, 2005

DIRT HAULING ACROSS HIGHLAND AVENUE WILL SLOW TRAFFIC IN SAN BERNARDINO

Beginning October 10, State Route 210 construction will require trucks hauling large loads of dirt to cross Highland Avenue between California Street and Route 30 in San Bernardino. This dirt hauling operation will take place between 9 a.m. and 2:30 p.m., Monday through Friday, through the end of the year.

The extra-long trucks will be carrying very heavy loads, which will require six flagmen to be stationed along the route to control traffic and enforce safety. Signs will be posted to alert drivers of possible delays.

For questions or more Route 210 information, call the toll-free helpline at 1-866-HELP-210. Please drive carefully near construction sites, allow extra travel time, follow posted signs and use posted detour routes.

Remember... Safety: It's no accident!
